

Our Mission: “To build lasting relationships by providing outstanding financing solutions focused on our customer’s success.”

Computer & Equipment Financing in 1992 was founded to provide a financing resource for **Businesses, Municipalities and Non-Profits Organizations** who needed a Flexible, Resourceful and Competitive Financing alternative

We provide a wide range of **Specialty Financial** solutions across the United States. Our reputation is built by paying attention our customer’s needs, providing great customer service and delivering fast, cost effective results, one customer at a time.

Whether you are a large organization, small local, non-profit or municipal organization, we will work to develop a successful strategy that will not only meet today's needs, but will also allow your business to grow to its fullest potential.

What makes us a Strong Financing Partner?

- Strong balance sheet, liquidity and capital
- Prudent risk management for 17 Years
- Integrity and Diversified revenue stream
- Ongoing investment for future growth

Our commitment “*To Being of Service*” to our *Customers* is our foundation and it is apparent, in all that we do. This is the reason that we have one of the highest **Repeat Customer** and **Referral** ratios in the industry!

At **Computer & Equipment Financing** we structure the terms and payments to fit our customer’s needs. We also provide a wide array of other programs such as:
